

## **The Touch of Human Kindness; One Warm Coat**

By Melinda Carroll

**May the sun shine bright in all our lives,  
And may we all be warm when cold arrives.  
But if misfortune comes and finds us there,  
May Kindness reach us with a gift to share.**

**If you have an extra coat to spare  
Won't you pass it on to show you care,  
Lighten up your load and you may find,  
A room inside your heart begins to shine.**

### **Chorus**

**One Warm Coat cannot replace a life of pain.  
And One Warm Coat may not take all the hurt away.  
But the comfort that it brings  
Is more than words can ever sing!  
The touch of human kindness; One Warm Coat.**

### **Additional "faith based" verse**

**There is nothing sweeter than the smile  
For one who's had to walk that extra mile.  
The beauty of a simple gesture bears,  
The reason that we have a presence here.**

**The faces and the names will go unknown,  
Still we're measured by the kindnesses we've shown.  
No one walks away that isn't moved.  
There but for His grace go me or you.**

### **Chorus**

**One Warm Coat cannot replace a life of pain.  
And One Warm Coat may not take all the hurt away.  
But the comfort that it brings  
Is more than words can ever sing!  
The touch of human kindness; One Warm Coat.**
