

# One Warm Coat®

## Proud of our young organizers!

**Thousands** of young adults held their own **One Warm Coat Drive** and they have collected **Tens of Thousands** of coats.

*“There is virtually no limit to what young people can do, no social need they cannot help meet, and giving young people the opportunities to serve enables them to become contributors, problem-solvers, and partners with adults in improving their communities.”*  
(Benson & Roehlkepartain)

**Leaders of tomorrow** know the joy of giving and the **importance** of supporting their **community**.

## High School and College Community Service Project

Volunteer hours can be applied to graduation credits and looks great on a college or job application!

*A One Warm Coat drive may be a perfect project for you!*
